

Alliant Energy Center Comprehensive Plan Master Plan Oversight Committee

Meeting Purpose & Progress Report April 2018

April 16th 2018 Committee Meeting

Purpose: Introduce Perkins + Will, the chosen AEC Campus Master Planning Consultant, to the Oversight Committee. Brief update on facility improvements prioritization process.

Desired Outcomes: To receive Committee input and direction on:

- Campus Master Plan goals and outcomes
- Campus Master Plan schedule
- Campus Master Plan engagement plan

Work Completed in March/April

- Continued gathering data for facility improvements prioritization exercise
- Coordination meeting with Perkins + Will to combine timelines and discuss public engagement and outreach process going forward
- User Group Meeting
- Worked with Wood Communications to release first e-newsletter from Committee and communications strategy going forward
- Refined scope and process for Multijurisdictional Destination District Plan

Focus of Work in April/May

- Conduct quantitative analysis for facility improvements prioritization
- Continue coordination with Perkins + Will and Campus Master Plan process
- Work on developing next e-newsletter from Oversight Committee for early May distribution
