

EVENT BOOTH: COMMUNITY ENGAGEMENT

May 26-29, 2017

My Big Idea for the AEC Campus & Surrounding Area:

- Restaurants on the perimeter
- Big playground
- Save the Dane County Coliseum
- Concert venue with:
 - Safe loading dock
 - Safe rigging
 - Better backstage areas
- More solar energy
- More festivals
- Indoor Olympic sized swimming pool
- Outdoor amphitheater
- Second pavilion size of #1
- More exhibition hall space
- Better accommodations for disable patrons to not only park, but actually have access to outdoor venues
- Have more things for kids to do, especially in summer when kids are out from school
- Horseback riding trails
- Safe bike riding trails
- More native species landscaping – mindful and purposeful
- Accessible to all abilities in all facilities
- Parking ramp
- Better bike access and parking
- Any pedestrian access would be an improvement
- Better WiFi
- Walking and running paths
- Keep outdoor festivals
- Car shows
- Festival – Bratfest
- Restaurants
- Rides
- Music
- Close to home to catch the bus
- Water fountain/bubblers (x10)
- Paintball/laser tag tournaments
- Dog park

- City park that is monitored
- Outdoor music
- Ice rink for winter
- Entertainment for kids
- Farmers Market
- Circus – year round
- Scooters for people with walking issues
- Benches
- More people of color – “Black people”
- Porta-potties for disability
- Wants survey and handouts in French
- Need people to be more informational
- Information Booth and assistance
- Reach churches/bulletins for info
- Kissing booth
- More bike racks
- Paper questionnaires
- Skateboarding
- Indoor skating rink
- Safe place to lock up bicycles
- Remodel seats in Coliseum (225 Row J, 6-1)
