We Want to Hear from You!

Dane County is crafting a vision to drive detailed planning on the Alliant Energy Center (AEC) Campus. As a part of this process, we are seeking meaningful input from the AEC's neighbors on topics including:

- What businesses and services could be added that would be beneficial to you and your neighbors?
- What could be done on campus to better connect the neighborhoods to the lake?
- What's your **BIG IDEA** for the AEC Campus and Surrounding Area?
- How the AEC can be a good neighbor?

Your input will help ensure that the campus' redevelopment reflects the community's economic, social, environmental, and equity priorities. Both meetings are identical so feel free to choose the one that works best for your schedule.

Refreshments: Food will be provided.
