AEC Study Project Team

Community Members

Area Stakeholders

The Dane County Strategic Design Committee is the public body responsible for overseeing the AEC study and the study process. AEC Study Project Team members include Dane County Planning and Development staff, AEC management, City of Madison Planning, Community and Economic Development staff, Chair of the AEC Strategic Design Committee, Greater Madison Convention and Visitors Bureau, Hammes Co., and CSL. The purpose of the Project Team is to help facilitate the study, bring to bear local industry and government expertise, and ensure meaningful participation and communication among area stakeholders.
